

A CATHOLIC YOUTH MINISTRY CENTRE FOR THE DIOCESE OF WESTMINSTER

SPECeast is a centre for Catholic Youth Ministry based in Wapping, East London, in the Diocese of Westminster. We work with schools and parishes providing day programmes and retreats, outreach days, and missions for young people aged primarily from 9 – 18 years of age.

SPECeast is a Catholic Community made up of experienced staff and volunteers who deliver programmes to help facilitate spiritual, personal and educational growth for young people. A core goal of our community is to help young people explore how Jesus can be relevant in their lives.

OUR PROGRAMMES

We provide day programmes and retreats for secondary school year groups and groups from parishes at the SPECeast Centre in Wapping. We aim to help young people explore their faith and provide a time and space for them to reflect on their lives and on God. Each programme can be tailor-made to suit your group's needs.

We use a variety of styles to engage young people including:

Media + Film; Discussions + Workshops; Art + Craft; Liturgy + Prayer moments; Music + Songs; Drama + Dance; Games + Experiential Activities

CONFIRMATION PROGRAMMES

Our confirmation retreats are designed so that candidates have the opportunity to experience their faith in a variety of ways. It is a chance for young people to explore the challenge Christ gives to: “Come Follow Me”. Candidates also have the chance to reflect on their faith journey so far and what it actually means to say YES to God.

OUTREACH + SCHOOL MISSIONS

We can provide outreach days to both schools and parishes. We can come to you to deliver a programme or spend a day, morning or evening with your young people.

School Missions are 3 to 5 days in length and are an opportunity for your whole school to experience a week of faith exploration through presentations, drama, prayer services, classroom visits and more....!
